

Pure Linseed Oil for Medicinal Purposes

Linseed oil is especially valuable as a laxative for horses and stock and for use in the making of Carron Oil, indicated for recent scalds and burns. The oil is adulterated and unfit for medicinal use.

SHERWIN-WILLIAMS MEDICINAL LINSEED OIL

Is made expressly for medicinal purposes and is the purest and best that can be made. It is manufactured from the choicest Northwestern flaxseed, cleaned and re-cleaned. The most clean and sterile conditions prevail in the mill through every stage of its manufacture. We sell S-W Medicinal Linseed Oil in pints and quarts. It is ready for use and does not become rancid on every bottle.
